Quality , Innovation and Customer Satisfaction is our Road map to Growth

COMPANY'S VISION

Reverent Electronics Design & Services Pvt. Ltd. has been established to take India to next level of self reliance in Design and Development of commonly used Remote Operated electronically Controlled Home Lighting Switches , Remote Operated Air Cooler and Semi Automatic Electronics PCB Control Panel Solution ,, Remote Operated Smart TOUCH Switches Boards and Ceiling Fan Regulators , Remote Operated LED Ceiling Fans PCB Solution and BLDC Ceiling Fans , Remote Operated LED Emergency Lights SECURITY ALARMS for Banks and Commercial Establishments , Home Security Alarms , Auto sensed Sanitizer / Liquid Soap Dispensers and Latest Contactless IR Thermometers The Company has come up with a humble vision of Designing and manufacturing Remote Operated Electrical products of outstanding quality at a time when the market is flooded with cheap imported electronically controlled switches and appliances or is handled by the unorganized sector with no focus to quality and safety of Products and their users The advent of Reverent is not only to organize the sector, but also is to add on feather to The wonderful Drive of Make in India by providing an excellent Services to all The Brand Owners of Appliances and Electronic Switches Manufacturing and Marketing Companies by providing to them most advanced technology based electronic products solution at most reasonable cost .

As a Brand, “ Reverent “ signifies Dedication , Safety and Reliability. These qualities are helping “ Reverent “ to carve a niche for itself to become a most Reliable source for Electronically Remote Operated Home Appliances Products Line . Reverent is actively engaged with major world class Semi conductors Manufacturing Companies so that to keep it always updated with latest world Technology to enable its business associates to produce world-class eco-friendly products that have added value to the lives of people.. Reverent is committed to and shall continue to deliver the most reliable services and long lasting products of top quality in India and other neighboring markets.

Reverent Commitment Policy :

Reverent is a Start Up India company registered with Government of India with a very clear vision to Strictly administer all its functionality through ethical practices . For That reason Reverent shall remain committed to its Customers , Vendors and its Staff Members with all what is Promised and shall have a long lasting Business Relationship by Monitoring step by step and by appreciating mutual benefits and mutually acceptable business norms. Reverent is committed to function as The Company which shall Follow complete legal and Tax Structure requirement of Government of India . Reverent is committed to deliver Best Quality Products and Services to its Customers which shall exceed their expectations In terms of Quality , Cost and Deliveries. Reverent is committed to ensure that no harm is done to the World's Environment during any of its Design and Manufacturing of its Electrical and Electronics Products and Shall always contribute to Clean India drive in what ever best possible way it could do .

World Class Auto Sensed Contactless HAND SANITIZER

MODEL NUMBER : REDAS HSS AS 01
SAVIOUR I

The Product is Designed , Developed and is being
Manufactured in India ..

SPECIAL FEATURES :

Strong reliable power supply based of Power Integration USA
Device..

Most Reliable with Zero Defect Panasonic Japan
Microcontroller ..

Unmatchable Automatic Sensor Device from Panasonic
Japan..

THE PRODUCTS ARE DESIGNED AND DEVELOPED FOR

STAR HOTELS HOSPITALS
CORPORATE HOUSES
SCHOOLS

GOVT. OFFICES
where Quality and Reliability matters..

Contact Numbers :

REDAS

REDAS 03 CFR Remote Operated Smart Ceiling Fan Speed Regulator Box

Technical Specifications :

Input Voltage : AC 230 V 50 HZ.
SMPS Powered : 110 v – 260 V
Remote Operated Functions :
5 Speed Remote Control
Auto OFF Timer : 1 Hr .- 2 Hr – 4Hr – 8 Hr.
Size : Semi Circular Box , Dia 90 mm Max
Weight : 250 Gms Appx.
Fits into Top Canopy of all the Ceiling Fans
Modes of Operation : Remote and Manual.
Service Warranty : One Year
MRP Rs. 990 /- Inclusive of GST

**COMPATIBLE TO ALL MAKE of CEILING
FANS**

REDAS SSB 01 Remote Operated Air Cooler Conversion Box

Technical Specifications :

Input Voltage : AC 230 V 50 HZ.
SMPS Powered : 110 v – 260 V
Remote Operated Functions :
Pump Motor ON – OFF
Swing Motor ON – OFF
Three Fan Speed Regulators
Humidity Control
Sleep
Child Lock
Auto OFF Timer : 1 Hr .- 2 Hr – 4Hr – 8 Hr.
Size : 185mm x 65 mm x 45 mm
Modes of Operation : Remote and Manual.
Service Warranty : One Year
MRP Rs. 1590 /- Inclusive of GST

Pls. buy *different* codes as indicated above if numbers of SSB 06 are required to be used In multi Switch Electrical Modular Panel so that On Off Commands do not interfere With each other Lights .

Technical Specifications :

Input Voltage : AC 230V , 50 HZ.
 Out Put Voltage : AC 230V, 50 HZ (Phase)
 Power Each Sw. Max : 100 W
 Fan Speeds : 05 Steps
 Switches : 02 LIGHTS
 Auto Off Timer
 Modes of Operation : Remote and Manual.
 Service Warranty : One Year
 MRP : Rs. 1290 Inclusive of GST

Remote Operated
0 to 5 Steps Fan Speed
Smart Fan Regulators
RFR 02 RO

Input Voltage : AC 230 V , 50 Hz
 Out Put Voltage : AC 130 to 230 V Phase , 50 HZ
 Power Output : 100 W Max.
 Remote Operated 5 Speed Fan Regulator
 Low Heat Losses. , Low Power Consumption.
 5 OFF Timer Settings
 Low Heat Losses.
 Manual Switching Facilities
 Supplied with Remote Hand Set
 MRP : Rs. 1290 /- Inclusive of GST

Our Faith

God is one , it is Thy different expressions which is visible and felt by The People keeping different faith in accordance to their place , culture and languages being spoken. The definition of Religion, as being described in The Holy Books of all faiths is to Live for Humanity , Love for All living beings on this earth with no space for Hate and disparity..

Not Failures , But Low aim is Crime
