Headquartered in Nagaur, Rajasthan, JR Crafts India is a distinguished manufacturer and retailer specializing in exquisite marble and stone products. With a commitment to craftsmanship and quality, the company was founded in the year 2015 to offer a diverse range of wash basins, marble pots, fruit bowls, tables, fireplaces, bathroom sets, stone bathtubs, artifacts and more.

The extensive product catalog includes a variety of wash basins meticulously crafted from premium materials such as stone and marble. From stone wash basins featuring natural textures to elegant marble wash basins in various designs, JR Crafts India caters to diverse aesthetic preferences. The collection includes pedestal wash basins, counter top wash basins, and designer variants, providing options for every style and space.

In addition to wash basins, the company specializes in marble pots, offering intricately designed tulsi pots and flower pots that add a touch of elegance to any environment. Marble fruit bowls, available in round, white, and flower shapes, serve as both functional and decorative pieces, showcasing the beauty of natural stone.

The craftsmanship extends to marble tables, including dining tables, nesting tables, and coffee tables, each designed to enhance the ambiance of living spaces. Marble fireplaces add warmth and sophistication to homes, with options ranging from classic white marble to ornate designs.

JR Crafts India also offers a range of marble bathroom sets, stone bathtubs, artifacts, and decorative pieces, including handmade carved articles and black round marble stands. With a focus on quality and attention to detail, each product reflects the company's dedication to excellence.

Driven by a passion for creativity and innovation, JR Crafts India continues to push the boundaries of traditional craftsmanship, offering unique and stylish marble and stone products. With Mr. Javed Rander's leadership, the company is committed to providing customers with exceptional quality and service, establishing itself as a trusted name in the industry.
