# About Us

**M/s Vedanta Agro Feeds**, based in the vibrant city of Ballari, Karnataka, is a dynamic player in the agro-industry. Established in **2022**, we have swiftly risen to prominence as a leading manufacturer, exporter, and supplier of a diverse range of high-quality agro-products.

At Vedanta Agro Feeds, our core offerings include C70% Broken Basmati Rice, Rice Bran, Rice Husk Powder, and Rice Polish Powder. Our commitment to excellence in every aspect of our operations, from sourcing raw materials to processing, packaging, and distribution, sets us apart in the market.

We take pride in our state-of-the-art manufacturing facilities, equipped with the latest technology and machinery. These facilities enable us to produce premium-grade products that meet stringent quality standards. Our C70% Broken Basmati Rice, in particular, stands out for its exceptional quality, aroma, and taste, making it a preferred choice for consumers and businesses alike.

One of our core strengths lies in our dedication to sustainable practices. We actively engage in responsible sourcing and environmentally friendly production processes. This not only ensures the quality and purity of our products but also reflects our commitment to a greener and healthier planet.

As an exporter, Vedanta Agro Feeds has a global footprint, reaching customers in various international markets. Our products have garnered recognition for their consistency and reliability, making us a trusted partner for businesses worldwide.

Our journey in the agro-industry is guided by a vision of providing top-tier agro-products that enhance the lives of our customers and contribute to the global food supply chain. With a commitment to innovation, sustainability, and customer satisfaction, Vedanta Agro Feeds is poised for continued growth and success in the years to come.
