ABOUT US

KUMAR INDUSTRIES has reserved a place of prominence in the market by thriving on the global standards of medical efficacy, safety and hygiene. Our company is the renowned Manufacturer, Supplier and Exporter of Active Pharmaceutical Ingredients, Plasticizers, Personal Care Products, Food Products etc. With the help of our strong R&D facilities, the products offered by us are strenuously made and tested for total compliance and high potency. Our core competency is to steadfastly fulfil the variegated demands of the clients in a time-effective and cost-effective manner. Further, we are well-accoutred to deliver small, urgent, or bulk orders anywhere in the world as per the stated requests. Rely on us!

Kumar Group came into existence in 1995 for formulating and providing the best-in-class range of pharmaceutical products and drugs. Based in Ahmedabad, Gujarat, our company has garnered a strong presence in the generic pharmaceutical market across the world.

INFRASTRUCTURAL STRENGTH

We leverage the strength of our superior manufacturing facilities that are powered by state-of-the-art technology and a team of experienced scientists and product developers. Further, we make the best use of it by incorporating top-notch business practices, formulation development, process optimization, stability studies, and adhering to stringent regulatory compliances. Also, we take pride in the possession of end-to-end capabilities from large-scale manufacturing to marketing of products, globally.

QUALITY POLICY

All of our products undergo stringent quality control tests in the presence of our vigilant team for achieving the best results in terms of quality, efficacy, and shelf stability. Further, we put continuous efforts towards improvement and upgradation of existing products, processes and skills to stay on par with the ever-evolving consumer demands as well as business landscape.
