About Us

Mark India Marketing Agencies is a dynamic wholesaler, trader and exporter, engaged in the Grain Moisture Meter, Rice Polisher Machines, Brightness Tester and Digimatic Calipers. We have been supplying great industrial equipment and solutions for several years. We have a long history of being at the forefront of dealing in innovative technological machineries. We continue to anticipate changes in regulations, technology, and customer needs, and then we work hard to meet these challenges head-on. We have a very active team that is always looking for new ways to resolve customer's problems and process effective solutions.

We export our products across the globe. Our company knows the market well and is therefore able to meet the needs of the market to its satisfaction. All of our working units work together in a coordinated way to make sure that the organization's goals are met on time. So that our team stays motivated, we encourage them to work toward their own goals as well as the legislative goals.

Company's Overview!

The initiative for launching the strong foundation of Mark India Marketing Agencies in India had a modest beginning in 2008. We are very proud of the fact that the seed that was planted in the city of Karnal has grown into a huge tree, which leads us in becoming the best wholesaler, trader & exporter. We uphold moral business standards as a client-focused wholesaler & exporter of Rice Mill Machinery or Electrical devices equipments.

About Our Company Owner's!

Being one of the leading wholesaler & exporter, Mark India Agencies is your one-stop-destination for your innovative technological equipments requirements. The owners of our company, Mr. Manoj Kumar Suryavanshi, has an extensive experience and years of expertise in this industry. They have gained enormous respect in this field because of their broad market knowledge, keen understanding of latest technologies and potent leadership abilities. Their emphasis on high-end quality assured products has always motivated us to provide our consumers with the best products and services in the most exceptional ways.

Why Choose Us?

We come up with and offer new, custom solutions for providing effective solutions to your problems with supplying our high-end quality machineries. We are a well-reputed company that deals in products at very fair prices. We work around the clock to make sure that all of our clients' needs are met in the right and most effective way. Here are some of the reasons, why you should consider us...
