SHIVAM
INDUSTRIES

Shivam Industries is a trusted manufacturer and exporter of Inorganic Chemicals, established in 2018. With over two decades of industry experience, we have built a strong reputation for quality, reliability, and customer satisfaction.

Our state-of-the-art manufacturing facility is located at the Ankleshwar Industrial Estate, Bharuch District, Gujarat, India—one of the largest and most advanced chemical manufacturing hubs in the country.

We are an ISO 9001 certified company, supported by a fully equipped laboratory and dedicated Research & Development facilities. Our continuous focus on process improvement, quality enhancement, and technological upgradation enables us to meet diverse requirements of both domestic and international markets.
