

POUR POINT APPARATUS

Model No- SLE PPA 001-

SUN LAB provide a wide variety of **Pour Point Apparatus** made of finest quality raw materials. The triple wall construction, SS argon welded inner and a MS powder coated outer makes our Automatic Pour Point Apparatus a preferred pick among the customers. The Bakelite Top with concentric lid provides sturdiness in our Pour Point Apparatus. Our Pour Point Apparatus is absolutely environment friendly as we provide a CFC Free Cooling System in it. We are recognized as one of the reliable Cloud and Pour Point Apparatus Exporters.

- Horizontal - Model
- CFC Free polyurethane Puff insulation
- Solid State Digital Temperature Controller
- RTD P.T 100 Sensors
- Selection of single compartment up to - 35°C. OR multiple compartment up to -70°C
- 4 cups cylindrical copper jacket of 43 mm diameter X 115 mm Ht. Test Jar in each compartment
- Tube length 115 mm 125 mm
- Individual Solid-State Digital Temp. Control in multiple compartments models

Equipped with CFC free refrigerants and air-cooled compressors, the instrument performs conditioning procedures required in various industries. The Humidity Chamber comes with aerodynamically shaped fans for maintaining heating, cooling, humidification and dehumidification efficiency and provides environmental simulations.

Key Specifications:

Model	Horizontal
Size	4 cups single compartment – 8 liters 16 cups four compartment – 36 liters 20 cups five compartment – 200 liters
Inner	4 cups cylindrical copper jacket test Jar in each compartment
Tube	43 mm diameter X 115 mm height
Outer	MS powder coated.
Controller	Solid State Digital Temperature Controller
Sensor	RTD P.T 100 Sensors
Cooling system	CFC Free Cooling System

Highlights:

Display	LED
Construction	Triple wall
Power supply	220-240V, 50/60Hz, Single Phase, 2A
Insulation	High quality thick insulation to maintain temperature accuracy.
Compartment Temp.	Individual Solid-State Digital Temp. Control in multiple compartment.
Environment	Complete environment friendly.
Wheels	Caster wheels for easy mobility.
Finish	Siemens gray & dark blue or brisleri green & white.

Optional Features -

- Additional cups and compartment can be provided as per demand.
- Timer & alarms will be provided.
- Printer interface facility available.
- Computer interface facility available.
- Caster wheels for the easy mobility can be provided.
