TRADE AND SERVICES PVT. LTD.

Amiksha Trade and Services Pvt. Ltd. is a name that is celebrated in the industry for its exceptional quality products and complete transparency in dealing with clients. We are a remarkable textile fabrics like super poly fabric and 4 way lycra fabric. We procure different kinds of fabrics from various vendors, who are specialized in velvet, micro-suede, loop velvet, stretched fabric and other kinds of fabrics. Some of our fabrics are also made on hydraulic looms at our vendors' inventories. Our procurement agents visit the inventories of our retailers and vendors, and ensure that each and every product is checked thoroughly on varied parameters. Customers can purchase these fabrics from our company at the best market leading prices.

Amiksha Trade and Services Pvt. Ltd. is a name that is celebrated in the industry for its exceptional quality products and complete transparency in dealing with clients. We are a remarkable textile fabrics like super poly fabric and 4 way lycra fabric. We procure different kinds of fabrics from various vendors, who are specialized in velvet, micro-suede, loop velvet, stretched fabric and other kinds of fabrics. Some of our fabrics are also made on hydraulic looms at our vendors' inventories. Our procurement agents visit the inventories of our retailers and vendors, and ensure that each and every product is checked thoroughly on varied parameters. Customers can purchase these fabrics from our company at the best market leading prices. Our distribution network is spread in various areas across India and abroad. All our excellent quality fabrics are also imported from abroad.

Headquartered in Gwalior (Madhya Pradesh, India), Amiksha Trade and Services Pvt. Ltd. is one of the renowned firms that are engaged in exporting, importing and supplying the best quality super poly fabric and 4 way lycra fabric. Mr. Ashwani Sharma, Mr. Narendra Arya and Ms. Minakshi Jha (Owners) are the brilliant minds behind the inception of our organization. They laid the foundation stone in the year 2018.

## Our Warehousing Unit

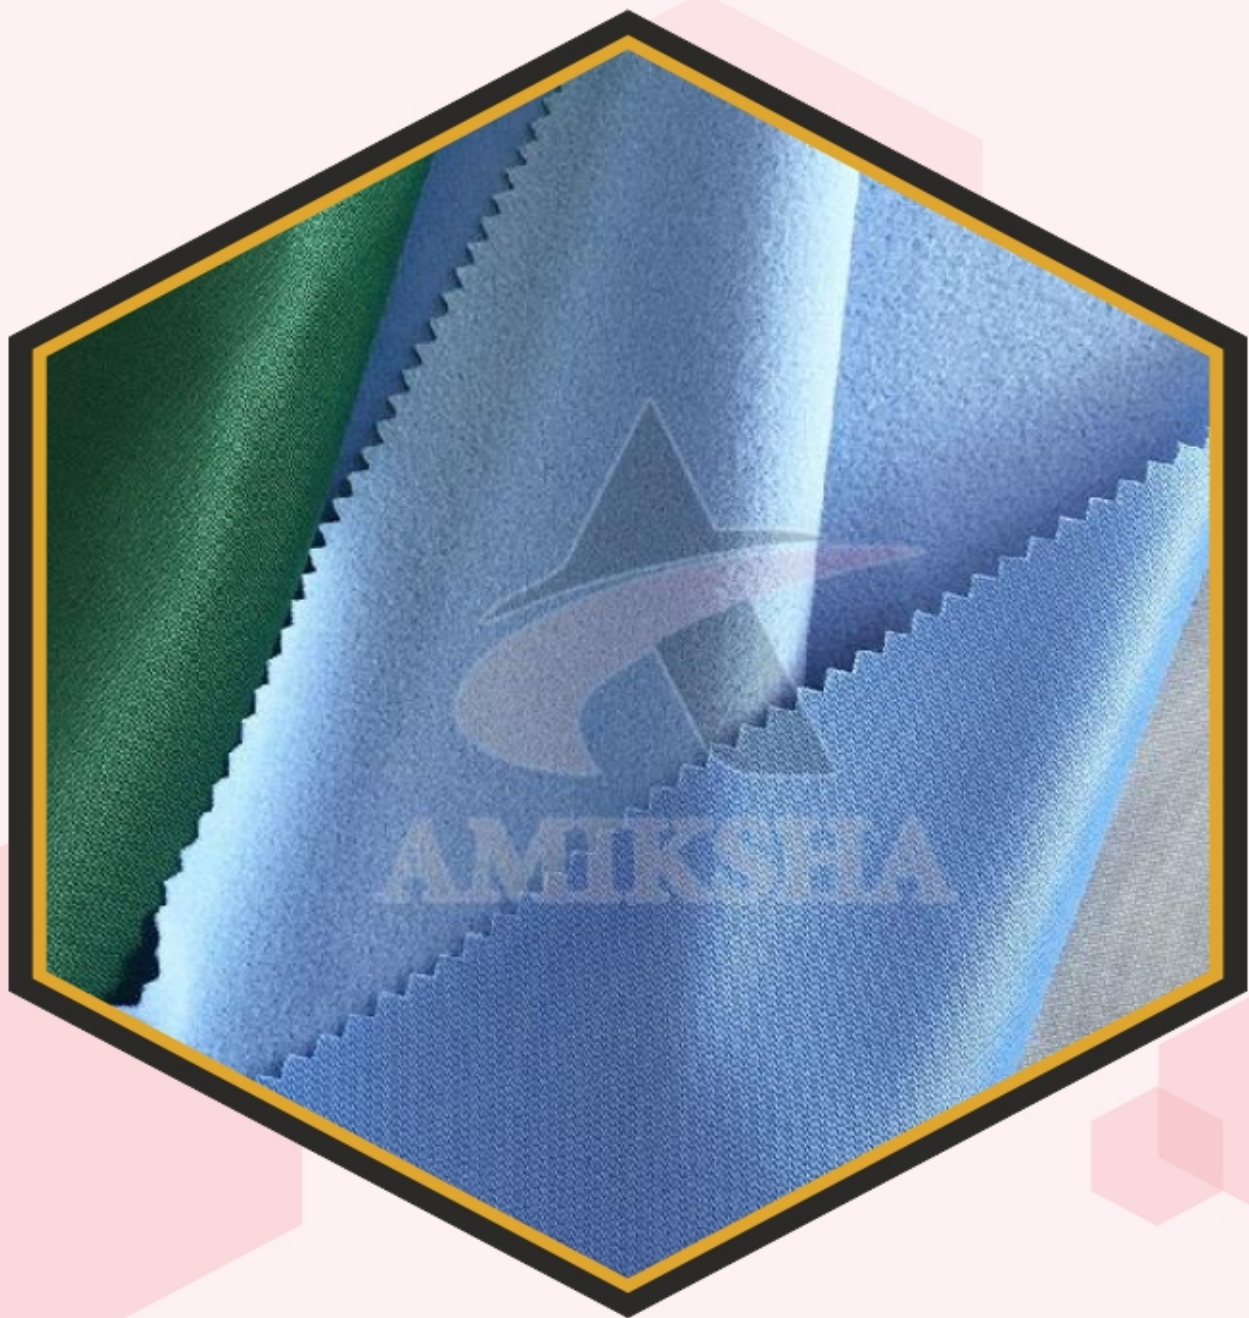

We have a huge and spacious warehousing unit, which allows us to keep a large stock of fabric in different departments safely.

## Why Us?

Customers are loyal to us because of the following reasons:

- Huge distribution network
- Competitive prices
- Well-structured infrastructure
- Capacious warehouse
