**AMVIA ENTERPRISES** is counted amongst the leading Manufacturers, Exporters and Suppliers of Superior Quality Turmeric Powder, Turmeric Fingers, Turmeric Bulbs (Pure Salem Variety) from Sangli (Maharashtra, India) and Amvia Sweet'zPro Natural Sweetener made from Stevia plant extracts.

The turmeric powder and turmeric fingers / turmeric bulbs that we manufacture / produce are Pure, Standardized, Rich in Curcumin & Oleoresin and Free from Pathogens such as Salmonella. We select the most authentic medicinal turmeric plants / seeds for cultivation and grow medicinal herbs (like Stevia) / spices such as turmeric in our own Amvia Estate farmlands under our own apt supervision.

Our Amvia Sweet'zPro stevia sweetener helps to regulate blood sugar and insulin levels for diabetic patients. It also helps to regulate high blood pressure and control Obesity.

You can place your orders now and rest assured for timely delivery with us.

We are offering our products at special prices which are competitive in market place. Amvia Enterprises is a Pune (Maharashtra, India) based company, which started its business operations in the year 2017. Amvia Enterprise has become a notable name in the Food & Beverages and Health industry by offering Superior Class / Quality products at reasonable prices.

## OUR VISION

Our vision is to be a leading global enterprise in agro-based quality health products & spices from India/ Asia.

## OUR GOAL

Our goal is to be the most valued/ preferred business partner for our customers and stakeholders in agro-based quality health products/ spices from India.

## OUR CLIENTELE

Amvia Enterprises has a sizable clientele in Pune. Various leading wholesalers and retailers regularly approach us to purchase our products. Moreover, not just in Pune (Maharashtra) our products are widely purchased by clients all over the nation.

## WHY CHOOSE US?

Since inception in 2017, we have always believed in the purity and authenticity of medicinal herbs & spices produced in India. To maintain this feat, we have our own facilities with the latest agro cultivation/ processing methods and techniques to produce the best-quality products, which are certified by reputed International laboratories from India.
