At Doshi Laboratories, we are a dedicated group of Third Party Manufacturer, Manufacturers, Suppliers and Exporter of 100% safe and effective pain balm, Ayurvedic rub oil, liniment oil, and strong pain balm. Our balanced formulation in all our products aid in the treatment of all kinds of the leg, back, shoulder, neck, and other joints pain. Based in Mumbai, and being under the aegis of Mr. Nirav Doshi manufacture the oils and rubs with premium quality oils to assist in the treatments of joint pain.

What we started back in 2006, have evolved as a successful company that commits itself to provide successful remedial and restorative properties for our valuable customers. Our balanced formulation in all our products aid in the treatment of all kinds of the leg, back, shoulder, neck, and other joints pain. Being the leading manufacturers of oils and pain balm, we offer the largest assortment of pain-relieving solutions for a happy life.

Pain Balm and Oils with Zero Side-Effects

Our handpicked and knowledgeable professionals in our team are selected via pre-defined selection strategies. Every inch of our business is managed by experts who make use of exclusive cutting-edge technology and advanced machinery. Thanks to our modern infrastructural units, we can deliver bulk quality products to our clients with absolute ease and promptly.

It is because of our founder's in-depth knowledge and the persistent zeal to offer you quality-assured and super-effective products, that we have always ranked the charts in the domain of balms, rubs, and essential oils.
