We manufacture and Exporters a wide assortment of premium quality hand tools and allied products that find extensive usage in host of industries.

ABOUT US

We manufacture and Exporters a wide assortment of premium quality hand tools and allied products that find extensive usage in host of industries. Our entire gamut is fabricated using qualitative raw material drop forged carbon steel, vanadium steel, cast iron, wood and others that are sourced from verified vendors. Our gamut is categorized as Spanners / Wrenches, Pliers, Vices, Striking Tools, Carpentry/Lubricant Tools and Leather Accessories.

Our range of spanners / wrenches comprises of the following tools double open ended jaw spanner, wrenches with cushion grips, combination open & ring end spanners, bi-hexagonal ring spanners deep offset and others. The pliers encompasses combination pliers, long nose pliers, side cutting pliers (piano type), water pump pliers, slip joint type and many more. Our range of vices features bench vice swivel base, mechanics bench vice (fixed base) and baby vice pin type swivel base. The sticking tools consist of claw hammer tubular, iron cold chisel - flat end, brick bolster and wrecking bar. We offer adjustable iron jack plane and oil cans that come under carpentry/lubricant tools. Finally the leather accessories includes pocket leather tool apron.

WHY CHOOSE US?

Working in the industry for more than 7 decades, we have been able to gain a huge clientele in Jalandhar and other cities of Punjab as well. In addition to this, we always care for our customers and, so we try to achieve maximum client satisfaction with our products.
