Balaji Products is an accredited supplier of a wide range of Indian Rice like Pusa Basmati Rice, 1121 Basmati Rice, 1509 Basmati Rice, Sona Masoori Rice and many more. Besides, we also offer edible oil, food grain, tea and Indian Wheat Flour. We are a group of young and passionate individuals, who are committed towards achieving complete client satisfaction. We thus ensure that only hand-picked array of products reaches to the client's place and that too within the promised time-line. With a believe that quality and transparency in operations bring in loyal customer base, we have been catering to retail and bulk demands of the clients in the regional marketplace. We leave no stone upturned to fulfill the emerging market demands with care. At Balaji Products, we procure products from the trusted manufacturers or distributors to maintain high-quality standards.

Balaji Products is a bankable name when it comes to sourcing products in retail or bulk quantities. Mr. Nitesh Aggarwal is the founder of Balaji Products. He laid the foundation stone of the company in 1975 with a sole motive to become a preferred trade partner of the clients. Mr. Vivek Bansal is the Marketing Head of the company. With his visionary guidance and leadership skills, he keeps his associates motivated towards achieving the company goals in a seamless manner. The company is based in Charkhi Dadri (Haryana, India) and we are appreciated for making safe and swift shipments.

Inventory Control Management

Since, we are a supplier, keeping an inventory up-to-date becomes imperative for us. Backed by our highly sophisticated inventory management system, we are able to keep record of stocks; this helps us in avoiding stock-out situations. Besides, we have dedicated workforce that manages our inventory and distribution of offerings.

Why Balaji Products?

Ours is a flushing name, known for its ability to render prompt solutions and reliable services. Other trade traits that advocate our work diligence are mentioned below:

- We provide regular product catalogs to keep the clients updated
- We accept payment through offline and online modes
- We can be relied for making safe and swift shipments
- We undertake demands for tailored packaging and labeling
