Razvi Exports is an Uttar Pradesh-based manufacturer, supplier, and exporter of handicrafts. We provide an assortment of handicrafts like bone necklace & earrings, wooden & resin trays, wall shelf, modern wooden wall clock, buffalo horn beer mug, wooden storage box, wooden spice box etc. All products are manufactured using genuine raw material. Owing to the matchless quality of our handicraft products, we've become a prominent choice among buyers in the industry. Clients can place their bulk orders for handicraft products by dialing the hotline numbers that flash on the website.

Razvi Exports is backed by a full-fledged workforce. They are professionals and have a sound knowledge of different products produced and supplied by us. Our teams perform R&D after acquiring the raw material. With their professionalism, we've been successful in carving a niche in the Indian handicraft sector. For further queries, get in touch with us.

STORAGE

With a commodious storehouse facility, we store all items in separate sections. The handicrafts like bone necklace & earrings, wooden & resin trays, wall shelf, modern wooden wall clock, buffalo horn beer mug, wooden storage box, wooden spice box etc., are stored in different sections. To assure the hygiene of the place, our professionals sanitize the warehouse premises regularly.

MAJOR MARKET

With years of experience, we've been successful in carving an international market. Our products are widely exported in different Gulf countries, the Middle-East countries, and Southeast

WHY US!

People choose us because:

- ➡ Ours is a wide network of vendors
- ➡ All products surpass international market parameters
