Reshamwala Exports

About Our Company

RESHAMWALA EXPORTERS is a credible exporter and supplier of sulphur granules. We also import sulphur granules. We have acquired a huge reputation for offering high-quality sulphur granules to our esteemed clients. The sulphur granules, offered by us, are widely demanded for their various commercial applications. These sulphur granules are widely used in black gunpowder, rubber vulcanization, the manufacturing of insecticides and pharmaceuticals, and in the preparation of sulfur compounds such as hydrogen sulfide & sulfuric acid. We regularly supply our sulphur granules to leading retailers, wholesalers, etc., on a huge scale. The sulphur granules that we provide are widely known for their high-quality and other properties. We are offering these sulphur granules in different packaging sizes to cater to the diverse requirements of the buyers. Moreover, clients can avail from us the bulk quantity of sulphur granules as well. Customers can place their orders now and rest assured for timely delivery.

Reshamwala Exporters is a Mumbai (Maharashtra, India) based company, which started its operations in the year 2018. Due to the consistent efforts of the whole staff, we have been able to establish a huge clientele across Mumbai. Very soon, the same will expand to the nearby regions as well in the future.

OUR TEAM

We are supported by a team of professionals who work in coordination with each other to make company achieve its organizational objectives. The work of these professionals is commendable and due to their hard work, we have emerged as a reputed name in the market in a short span of time.

WHY CHOOSE US?

We have become the prime choice of the customers to purchase superior quality sulphur granules. The reasons for that are listed below:

- We maintain a complete transparency in the monetary terms.
- We have a wide distribution network.
- We deliver the products within the time allotted to us.
