Kepran Healthcare Private Limited is a phenomenal name in the health sector of Surat. We are in the business of manufacturing and supplying a wide range of best quality pharmaceutical medicines. Our list of pharmaceutical medicines includes pharmaceutical tablets, pharmaceutical capsules and gel. The pharmaceutical medicines that we offer are effective when taken after a doctor's prescription. The pharmaceutical medicines that we make available are packed using medical-grade packaging. We supply the entire range of our pharmaceutical medicines to various hospitals, clinics, pharmacies, medical institution, etc., in Surat and other cities of Gujarat as well. You can visit our official website at any time of the day to purchase our products in different packaging sizes. We are offering the entire range of our products at the most affordable prices and promise to deliver them within the promised timeframe as well.

Headquartered at Surat (Gujarat, India), Kepran Healthcare Private Limited is operating in the industry since 2016. Under the immense leadership of Mr. Paresh Patel (Founder), the company has become a notable name in the industry.

Major Markets

The entire range of our pharmaceutical medicines is widely purchased by many clients in Surat and other cities of Gujarat as well. In addition to this, we supply our pharmaceutical medicines to various states all over India.

Our Team

Ours is a team of skilled and semi-skilled workers that includes supervisors, technicians, engineers, delivery experts, and many more. All these are absolutely professional in their respective domains as well.
