Omkar Engineering India Pvt. Ltd. takes pride in presenting itself as a market leader in the area of plastic processing technologies and precision machines. We are recognized as a successful manufacturer, exporter, importer, and supplier of advanced plastic injection moulding machine, top locking horizontal injection moulding machine, vertical screw type plastic injection moulding machine, blow moulding machine, hydraulic injection molding machine, rubber injection moulding machine, rubber moulding machine, and vertical injection bottom locking moulding machine.

We are also engaged in rendering application services, post sale services, and handling the machine operator training. We are accredited to the export house status with ISO 9001:2015 and CE certified company, adhering to world-class quality standards.

We constantly strive to offer the equipment with innovative solutions so that the customers get competitive products, and thereby reduce their overall cost and energy consumption. Our make our products available under the brand name of "Omkar".

Established in the year 1985, Omkar Engineering India Pvt. Ltd. has been delighting the customers in the plastic processing industry for more than three decades now. Under the astute guidance of Managing Director i.e. Mr. Pradeep Prabhu, we have been working with perfection and bringing forward an exclusive range of products and services.

## ● **Research & Development**

We leverage a modernistic research & development unit to bring in innovation in our products. Our R&D facility is managed & controlled by our team of highly qualified researchers and analysts, who efficiently coordinate with the production professionals to ensure that the production complies with the highest standards.

## ● **Industries we serve**

We offer complete solutions to different industries including:

- Chemical Industries
- Construction Plants
- Packaging Industries
- Metal Industries
- Packaging Industries
- Plastic Industries

## ● Horizontal Screw Type Plastic Injection Moulding Machine

### SPECIFICATIONS

Business Type	: Manufacturer, Exporter, Supplier, Retailer, Wholesaler
Brand Name	: Fast Pro
Condition	: New
Certification	: CE Certified
Voltage	: 440V
Warranty	: 1 Year
Production Capacity	: 200 KG TO 800 KG
Clamping Force	: 1100-1500kn

## ● Hydraulic Plastic Injection Moulding Machine

### SPECIFICATIONS

Business Type	: Manufacturer, Exporter, Supplier, Retailer, Wholesaler
Capacity	: 1 To 50 Ton Per Day
Plastic Type	: PP, PE, PET, ABS, PA
Condition	: New
Clamping Force	: 350 Ton To 850 Ton
Operation Mode	: Automatic
Brand Name	: FAST PRO
Clamping Way	: Hydraulic

## ● PLC Plastic Injection Moulding Machine

### SPECIFICATIONS

Business Type	: Manufacturer, Exporter, Supplier, Retailer, Wholesaler
Capacity	: 300 Kg To 1 Ton
Plastic Type	: PET
Style	: Horizontal
Certification	: CE Certified
Color	: Other
Processing Type	: Other
Condition	: New

## ● Automatic Top Locking Horizontal Injection Moulding Machine

### SPECIFICATIONS

Business Type	: Manufacturer, Exporter, Supplier, Retailer, Wholesaler
Material	: PU , PVC, PP
Plastic Type	: PP, PE, ABS
Style	: Horizontal, Vertical
Certification	: CE Certified
Processing Type	: Other
Condition	: New
Shaping Mode	: Plastic Injection

## ● Horizontal Screw Type Top Locking Molding Machine

### SPECIFICATIONS

Business Type	: Manufacturer, Exporter, Supplier, Retailer, Wholesaler
Type	: Vertical Screw Type Injection Molding Machine
Certification	: CE Certified
Weight	: 900-1000kg
Voltage	: 440V
Condition	: New
Power	: 6-9kw
Driven Type	: Hydraulic, Mechanical

## ● Vertical Screw Type Plastic Injection Moulding Machine

### SPECIFICATIONS

Business Type	: Manufacturer, Exporter, Supplier, Retailer, Wholesaler
Material	: PP, HDPE
Processing Type	: Other
Color	: Other
Condition	: New
Plastic Type	: PP, PE, ABS, Other
Style	: Vertical
Certification	: CE Certified

## ◆ Blow Moulding Machine

### SPECIFICATIONS

Business Type	: Manufacturer, Exporter, Supplier, Retailer, Wholesaler
Driven Type	: Hydraulic, Pneumatic
Color	: Other
Automatic Grade	: Automatic, Semi Automatic
Power	: 3-5kw
Certification	: CE Certified
Voltage	: 440V
Type	: Blow Moulding Machine

## ◆ Rubber Injection Moulding Machine

### SPECIFICATIONS

Business Type	: Manufacturer, Exporter, Supplier, Retailer, Wholesaler
Capacity	: 50 Ton
Condition	: New
Brand Name	: Omkar
Voltage	: 220V
Power(W)	: 1-3kw
Grade	: Semi-Automatic
Model	: RP Series

## ● Rubber Moulding Machine

### SPECIFICATIONS

Business Type	: Manufacturer, Exporter, Supplier, Retailer, Wholesaler
Type	: Rubber Moulding Machine
Certification	: CE Certified
Weight	: 1000-2000kg
Color	: Blue,Light White
Voltage	: 440V
Condition	: New
Automatic	: Grade Semi Automatic, Fully Automatic,Manual

## ● Vertical Injection Bottom Locking Moulding Machine

### SPECIFICATIONS

Business Type	: Manufacturer, Exporter, Supplier, Retailer, Wholesaler
Plastic Type	: PP, PE
Style	: Vertical
Certification	: CE Certified
Color	: Other
Processing Type	: Other
Condition	: New
Shaping Mode	: Plastic Injection
