ABOUT US

PANTHER INDUSTRIES is a credible name in the market. We manufacture and supply a wide range of products like Emida Shaped Bottles, Triangle Hexa Shaped Bottle, Mono Shaped Bottles, Sizanta Shaped Bottles, PET Bottles, and Plastic Cans. All these products are manufactured using high-quality raw materials that make them long-lasting and durable. All the bottles and cans are available in different shapes and sizes. The plastic used for making the bottles is non-toxic and 100% safe for storing hot liquids. We use high-end technologies for the production of our bottles, which make them dimensionally perfect. Client satisfaction is our utmost concern and with the combined efforts of our team members, we always achieve that.

Located in Morbi (Gujarat, India), Panther Industries is a reliable name when it comes to plastic bottles and cans. All the products that we make are of the high-quality and known for having a long service life. Our company was established in 2018 and it has made a very positive reputation in the market within a very short period of time.

THE STAFF

The staff of a company is responsible for its well-being and Panther Industries is blessed to have a team of highly skilled staff members, who are backed by years of experience. All our staff members are experts in their designated jobs and make sure that all the jobs are executed with perfection.

THE SUPPLY

Our company has a huge client base all over the country and in order to deliver the products on time we use different modes of transportation. Our clients appreciate us for delivering the products safely and within the promised time, irrespective of the location.

WHY US?

- We are the manufacturer, so we can provide the product manufactured in our factory with strict quality measures.
- Educated and Qualified Professionals to take care of requirement of our clients.
- The company is constantly innovating with new ideas, examining and taking advantage of new raw materials and technologies to optimize production processes and deliver unique and ground-breaking product to our clients.
- Superior quality products at a fair price.
