

MIRAYA

At Miraya International, we are committed to providing our customers with the highest quality products and services. Our products are designed to meet the needs of our customers and to provide them with the best possible experience. We are proud to be a part of the Miraya family and to be recognized as a leading provider of luxury goods and services. We are committed to excellence in everything we do and to providing our customers with the best possible experience. We are proud to be a part of the Miraya family and to be recognized as a leading provider of luxury goods and services. We are committed to excellence in everything we do and to providing our customers with the best possible experience.

ABOUT US

Incorporated in 2016 in Moradabad (Uttar Pradesh), Miraya International has established itself as a well-known and affluent organization that is engrossed in retailing and supplying a wide array of decorative products, furniture, brass items, copper items, kitchen & bathroom accessories, puja items, planters & pots, cutlery sets, etc. Manufactured by skilled artisans, the aforementioned products come in elegant designs and styles. With our superior quality products and prompt services, we aim to become a trendsetter in the domain.

At Miraya International, we work together with our staff, vendors, and even customers to grow successfully in our business. All of our products are created by considering the latest market trends and sourced from reputed manufacturers/vendors in the market. A strict selection process is carried out by our procurement team to select quality products at the vendor's place. The procured products are further rechecked thoroughly by our experts before the final shipment. Thus, we ensure the great appearance and high quality of our products even after several years.

We use our resources fully to meet the demands of our customers worldwide. Our uncompromising product quality, customer-focused approach, excellent transport & logistic facility, quick delivery services, competitive price range, and ethical trade practices help us to mark a presence in Indian as well as international markets.
