## About Us

The name of **SUMAN ENTERPRISES** is ranked among topmost companies in Velachery (Chennai) that have been serving the market with premium agro based products. We are recognized as a dependable supplier of premium quality whole spices, grounded spices, Indian rice, cashew nuts, and fresh red onion. The agro products, we supply, are directly obtained from sources which grow them using the finest quality seeds, fertilizers, and manures. We are specialized in supplying all the agro products in good quality packaging material for better handling and also adding to the shelf life. We are widely trusted for the aggressive pricing of our agro products.

The establishment of **SUMAN ENTERPRISES** took place in the year 2018, when sharp personalities with immense business acumen laid the foundation stone of the organization. Soon after the inception, the company started to write its own success saga, which has been instrumental for many in the industry.

### QUALITY CONTROL

The one thing that can be said to have actively played a crucial role in company's image building is its madness to serve agro products that beat every other product in terms of quality. In order to control the quality of product, we not only deploy advanced machines and equipment but are also assisted by experienced professionals who leave no stone unturned for getting assured about the supremacy of quality of agro products on offer.
