

# The Best Quality

## Laxmystone Cutting Ind.

Laxmystone Cutting Ind. is known as one of the prestigious business houses from Dausa (Rajasthan) that have a strong presence in the sandstone product manufacturing and carving services. Being a well-known manufacturer and supplier, we offer a wide range of sandstone products like couple statue, lion statue, elephant statue, garden bench, garden table, garden lamp, fountain, boundary wall, wall mural, false ceiling, pillar, jharokha, jali, baluster ball, and dustbin. We also provide the best sandstone construction services, which include the construction of temples, buildings, gazebo, hut, and house. We procure sandstone from sources that have been complying with industry standards and thus provide us only the finest pieces/blocks of sandstone. Our name is trusted in the industry for offering products and services with the assurance of best quality, perfection, and precision.

# ABOUT US

Laxmystone Cutting Ind. is known as one of the prestigious business houses from Dausa (Rajasthan) that have a strong presence in the sandstone product manufacturing and carving services. Being a well-known manufacturer and supplier, we offer a wide range of sandstone products like couple statue, lion statue, elephant statue, garden bench, garden table, garden lamp, fountain, boundary wall, wall mural, false ceiling, pillar, jharokha, jali, baluster ball, and dustbin. We also provide the best sandstone construction services, which include the construction of temples, buildings, gazebo, hut, and house. We procure sandstone from sources that have been complying with industry standards and thus provide us only the finest pieces/blocks of sandstone. Our name is trusted in the industry for offering products and services with the assurance of best quality, perfection, and precision.

Laxmystone Cutting Ind. came into being in the year 2008, and since then it has earned immense fame in the industry owing to its optimum quality products and matchless services. Mr. Roshan Lal Saini (Proprietor) has always showered his guidance to secure maximum customer satisfaction. Today, we have been frequently contacted by existing customers for their requirements related to sandstone products.

## Infrastructure:

We are supported by state-of-the-art infrastructure and our unit is backed with the advanced machines and equipment for design, development, and production of premium sandstone products. Our machinery enables us to manufacture sandstone products in bulk and at a fast speed.

## Why Us

- Fair business dealings
- Team of skilled manpower
- Complete customer satisfaction
