GSL Biotech Pvt. Ltd., where innovation and quality meet to redefine pharmaceutical excellence. Established in 2016 by Mr. Ganesh Bhalke, our company has emerged as a trusted name in the global pharmaceutical industry, specializing in the export of high-quality medicinal products. Based in Pune, Maharashtra, GSL Biotech is dedicated to improving health outcomes worldwide through a diverse portfolio of tablets and other pharmaceutical formulations.

Our commitment to quality is reflected in our extensive range of products, including Sitagliptin Tablets, MIG D3 Tablets, Sukhoi K2 Tablets, Bio Woben Tablets, Bio Woben-Plus Tablets, Bio Woben-D Tablets, Collasis Tablets, and Pilavoid Tablets. Each product is formulated with precision and care, adhering to stringent quality standards to ensure efficacy and safety. We take pride in our state-of-the-art manufacturing processes and our adherence to international regulatory guidelines, which ensures that every tablet we produce meets the highest standards of quality and reliability.

At GSL Biotech, we believe that our success is driven by our unwavering dedication to excellence and our customer-centric approach. We continuously strive to enhance our product offerings and expand our global reach, building long-lasting relationships with partners and clients around the world. Our team of experienced professionals works tirelessly to stay ahead of industry trends and innovations, ensuring that we offer cutting-edge solutions that meet the evolving needs of the healthcare sector.

Mr. Ganesh Bhalke, our visionary founder, has been instrumental in shaping the company's growth and establishing a robust foundation for future success. His leadership and commitment to quality have been pivotal in positioning GSL Biotech as a prominent player in the pharmaceutical industry.
