About Us

Established in the year 2012, we at Sheetla Techno Industries are engaged in supplying good products. We have specialization over Industrial Conveyor, Hospital Furniture, Metal Trolleys, Storage Bins, Metal Racks & Pallets, School Furniture, Plastic Pallets, Wooden Bunk Bed, Pre-Engineered Building, UPS Cabinet, Stainless Steel Glass Table FRP Office Cabin and Digital Display Stand, etc.

We follow up quality norms made for national and international products and the finished products follow up with all the necessary industry standards.

We allow us to make regular innovations and upgrades in our present products; these services are equipped with modern machines and technologies. We are handled by a professional team. Our team members hold proficiency in their respective fields, and carry out their operations carefully to manufacture a perfect range, precisely as per the features detailed by our clients.

Sheetla Techno Industries owe our achievement to our sound infrastructure, which comprises the latest-style and innovative manufacturing unit, testing laboratory, research, and development wings.

Our team members are working hard to achieve the set objectives and goals of our company. We have residential a highly advanced and top-notch infrastructure service at our premise. At our infrastructure unit, we have installed highly advanced and progressive machines. Our buyers can place bulk orders and get the products at nominal market cost. We keep the delivery at right time without any delay.
