PROLIX AGRO TECH PVT. LTD. is a huge name in the market, which is counted amongst the leading manufacturer & suppliers of frozen vegetables and frozen fruits. The list of frozen vegetables that we make available under the brand name Finecrop that includes frozen peas, beans, frozen carrot, frozen cauliflower, frozen sweet corn, frozen cut mixed vegetables. Our frozen vegetables are rich with their natural properties. These frozen vegetables are healthy and nutritious. Also, they taste really good once cooked as they retain their original taste and flavor. We also supply frozen fruits such as frozen kiwi, frozen mango, frozen orange and frozen strawberry and other frozen fruit with fruit pulp and slices. Our frozen fruits are hygienically processed in our advanced processing units in order to provide the clients with the best. These frozen fruits are offered without any artificial colors and preservatives. Our frozen fruits are available any time as preserved using the latest methods.

Prolix Agro Tech Pvt. Ltd. is an Etawah (Uttar Pradesh, India) and Kashipur (Uttarakhand, India) based company, which was incorporated in the year 2016. The company has emerged as one of the leading names in the market of frozen fruits and vegetables.

STORAGE

We store our frozen vegetables and frozen fruits in advanced freezers. We have maintained a facility, which is separated into various freezers. These freezers are highly advanced and store our products by ensuring their freshness & long shelf life.

WHY US?

Operating in the industry since 2016, we have become the top choice of the clients for purchasing frozen fruits and vegetables. Moreover, we are highly preferred by the clients in India, owing to the superior quality and freshness of our products.
