About Us

Tara Corporation is one of the most noteworthy names in the market of Mumbai. The company is actively engaged in manufacturing and supplying the finest quality raw spices, food grains, dry fruits, Indian pulses, essential oil, ginger extract, liquid ethanol, sugar caramel, dextrose monohydrate powder, and many more. We offer various raw spices such as black pepper seeds, cinnamon sticks, clove pods, bay leaves, black cumin seeds, cinnamon powder, etc. The raw spices that we offer are hygienically processed under the most advanced conditions. These raw spices are widely known for enhancing flavor of many dishes. We provide various food grains like wheat seeds, maize seeds, jawar seeds, millet seeds, and white sugar. Moreover, our specialization in offering various other products has allowed us to gain a decent clientele all over Mumbai.

Tara Corporation is a Mumbai (Maharashtra, India) based company, which was incorporated in the year 2012. Under the headship of Mr. Vijay Khalate (Founder), we have evolved as a promising name in the industry in a quick time.

• Major Markets

The whole range of products that we make available is widely acclaimed for their freshness by many clients in Mumbai and other cities of Maharashtra as well. Several clients from various states all over India also approach us to purchase our products.

• Production Unit

A state-of-the-art production unit is all we have maintained for us in Mumbai. This production unit is capable of producing the best quality products at a rapid pace that also allows us to increase our production capacity.
