TERMS & CONDITIONS

- 1 Product specifications shall be supplied as per mutually approved quality parameters.
- 2 Pre-dispatch inspection support and lab test reports can be shared on request.
- 3 Final pricing depends on product, quantity, packaging, and agreed Incoterms.
- 4 Minimum order quantity may vary by product category.
- 5 Packaging, private labeling, and branding support can be offered subject to order size.
- 6 Payment terms shall be mutually agreed, such as advance payment or Letter of Credit.
- 7 Shipment timelines depend on product readiness, order volume, and destination port.
- 8 Buyer shall ensure compliance with destination-country import rules and approvals, where required.
- 9 Any claims should be supported by documentary evidence and communicated within a reasonable period after receipt.
- 10 All business transactions remain subject to mutual confirmation and commercial acceptance.

Dashmesh Industries is committed to responsible supply, transparent business conduct, and quality-focused export support for long-term global partnerships.

QUALITY ASSURED. BUSINESS READY. PARTNERSHIP FOCUSED.

Please confirm product requirements, specifications, and commercial terms before order finalization.

**DASHMESH
INDUSTRIES**

— SINCE 1985 —

BUILT FOR GLOBAL TRADE

Reliable Supply. Professional Support. Long-Term Partnerships.

Dashmesh Industries combines decades of business experience with a practical, buyer-focused export approach. We support international importers, distributors, wholesalers, and institutional buyers with organized supply planning, export documentation assistance, quality-focused handling, and dependable communication. From product selection to shipment readiness, we aim to make bulk sourcing smooth, transparent, and commercially successful.

Our strength lies in consistent quality, timely response, flexible business support, and a commitment to long-term trade relationships built on trust.
