AGRO PRODUCTS**

ABOUT US

Agriona Products Private Limited is a name that is counted amongst the preeminent firms that are engaged in offering the finest quality agro products. We are a noteworthy manufacturer and supplier of fresh onions like fresh brown onions, fresh pink onions, fresh red onions, and fresh yellow onions; fresh red and yellow capsicums, and fresh pomegranates. These agro products are grown at our organic farms and processed at our advanced infrastructural base. Our prime concern is to maintain the high quality of our products, and provide the best products to our revered clientele. Customers can place their orders for these agro products anytime. We make them available to our clients at their doorstep within the stipulated timeframe.

Agriona Products Private Limited is one of the well-known firms that are involved in manufacturing and supplying the best quality agro products. It is operating from its headquarters located in Ahmednagar (Maharashtra, India). Mr. Swapnil Bhadgale and Mr. Dattatray Sonawane (Company Directors) are the respected personalities behind the inception of our organization. They founded the company in the year 2018.

Our Inventory

Having an organic farm and an infrastructural facility has enabled us to produce and process the agro products in an efficient and timely manner. The facility is equipped with advanced machines and tools, which are regularly upgraded as per latest industrial trends.

Our Storage House

We store the agro products at our well-furnished storage house. It is equipped with a temperature controlling facility, which helps us in keeping the products fresh and well-preserved.
