VIBHA CREATION

Vibha Creation is one of the leading names in the market, which is engaged in manufacturing and supplying superior quality chocolate products, decorative Rangoli, cocoa powder, decorative packing trays, engagement ring platter, dry fruit boxes, decorative toran and many others.

About Us

Vibha Creation is one of the leading names in the market, which is engaged in manufacturing and supplying superior quality chocolate products, decorative Rangoli, cocoa powder, decorative packing trays, engagement ring platter, dry fruit boxes, decorative toran and many others. The chocolate products that we offer are made using the best-in-class chocolate and cocoa. Our decorative Rangoli is widely used for various decoration purposes such as in homes, offices, restaurants, hotels, etc. We make available cocoa powder that ensures the rich taste, strong aroma, and excellent flavor. Moreover, our expertise in offering decorative packing trays, engagement ring platter, decorative toran and many others has made us more popular in the industry. The dry fruit boxes provided by us are filled with highly nutritious dry fruits such as cashew nuts, raisin, dates, etc. Apart from products, we are also providing birthday party decoration service, flower stage decoration service and wedding stage decoration service to the clients as well. Customers can purchase our products in various packaging sizes at the most economical prices.

Located in Pune (Maharashtra, India), Vibha Creation is operating in the industry since 2000. Under the expert guidance of experienced mentors, Vibha Creation has managed to out-run its competitors in the market.

MANUFACTURING FACILITY

Located in Pune, Vibha Creation has an advanced and spacious facility, which is equipped with modern tools and hi-tech machines. Vibha Creation also has an extensive storage unit wherein we maintain stocks of our products in suitable conditions.

QUALITY

We have a skilled team of quality auditors, who are highly experienced and well-versed with various quality checking techniques. Moreover, these quality auditors ensure superior quality of our products before the final dispatch.
