The commercial operations of Sri Bhagyalakshmi Traders began in 2007 in Rayagada, Odisha. Despite being a newcomer to the field, we have become one of the well-known companies engaged in the supply of a variety of agro products. Because of their exceptional quality, high-yielding value, and freshness, our goods are widely valued in the market.

We utilise the right packing materials to preserve the quality of our items before making the final delivery to the market. We can offer our valued clients just a product variety that has undergone several quality inspections. All of our company activities are expertly carried out by a dedicated team of experts.

OUR TEAM:

With the support of highly qualified and driven people, we have made a name for ourselves in the field. Our staff members possess extensive knowledge, industry experience, and topic competence. Although they come from different backgrounds, they collaborate closely to provide the highest quality Seeds on the market.

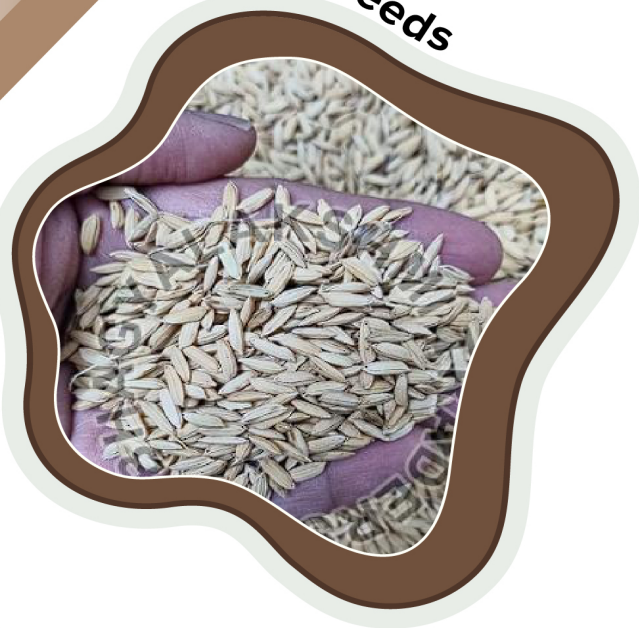

QUALITY ASSURANCE:

We have always put a premium on quality in our business. To provide the market with the highest quality product variety, no effort is spared. We continue to operate under a Total Quality Management framework. It ensures that every step of product production, storage, and delivery is carefully monitored.

Under tight quality monitoring guidelines, quality control is maintained. The use of appropriate packaging helps ensure safe transportation and extends the shelf life.
