

# P P Aquatech

P P Aquatech was incepted in the year 2009 in Delhi. The company has scaled new heights of success under the proficient leadership of our Owner, Mr. Jai Prakash. Under the business acumen of our mentor, we have expanded our business horizon and considered to be a top-notch Industrial Machinery and Equipment Manufacturer, Exporter and Supplier from India. Our network is spread in nook and corner of the world such as in United Arab Emirates, New Zealand, Malaysia and Bangladesh.

## **Infrastructure**

We are backed by a strong and well-developed infrastructure, which is fully equipped with hi-end machines. Based on the same, we are able to deliver small as well as bulk orders within the stipulated time-frame. Besides, we also maintain our machines in top most condition that has assisted us in maintaining quality of our machinery and equipment.

## **Quality Assurance**

Quality is the prime motive of our organization; therefore we leave no stone unturned to provide flawless range of Industrial Machinery and Equipment. Our team of quality check controllers keeps an eye on all the stages of production right from the procurement of the raw materials to the final dispatch.

## **Clientele**

Our huge list of clients is the backbone of our company. We have raised the bar of customers' satisfaction by not only catering to the exact requirements of the clients but gratifying them beyond expectations. Customer satisfaction plays an important role in the success of an organization; therefore we leave no stone unturned to attain the same.
