# VISION & MISSION

---

Shree Ambika Global was established with an unwavering commitment to providing customers with top-tier products. We envision Shree Ambika Global as a leading force in the agro commodity export sector. Our dedication lies in supplying the global market with exceptional service and premium castor, neem, peanuts and its related products. We aspire to be the foremost export company in India. We are committed to exceeding expectations by delivering value-added services that ensure complete customer satisfaction.

## OUR VALUES

---

Shree Ambika Global has a strong reputation in the global castor oil, neem oil and groundnut product markets, built on a foundation of exceptional service and extensive experience in production and sales. Our commitment to high-quality business practices has fostered valuable relationships within the domestic market, ensuring a reliable supply of raw materials.

# WHY CHOOSE US

Our experience and high-tech infrastructure give us deep insight into this field and enable us to deliver benchmark-quality products.

DAY PRODUCTION

**EXPERIENCE**

**750+**

METRIC TONS OIL STORAGE  
TANK CAPACITY

**HUGE INFRASTRUCTURE**

**4000+**

METRIC TONS SEED  
STORAGE SILO CAPACITY

**GLOBAL REACH**

**65000+**

SQ. FT. OF WAREHOUSES FOR  
RAW MATERIALS STORAGE

**AUTOMATED PRODUCTION**

# PEANUT PRODUCTS

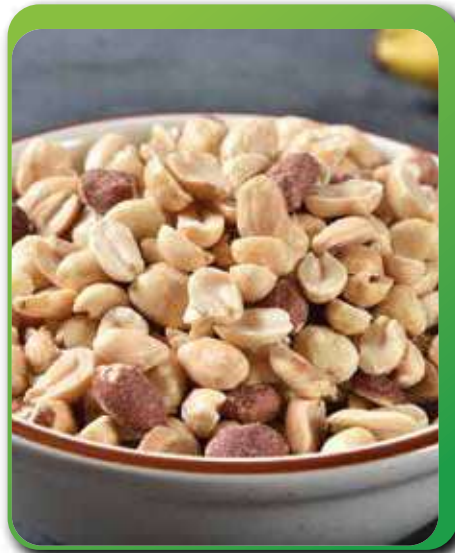

---

**PEANUT OIL**

**PEANUT BUTTER**

**BLANCHED PEANUTS**

Shree Ambika Global is renowned for delivering 100% pure groundnut oil and peanut butter. Our premium peanut oil is a key ingredient in both home cooking and industrial food production. We also provide high-quality peanut butter made from the finest peanuts, ensuring rich taste and superior quality. We meticulously select our peanuts to guarantee exceptional standards. Our goal is to establish strong customer relationships across the globe.

# CASTOR PRODUCTS

---

**CASTOR OIL  
COMMERICAL**

**CASTOR OIL  
CAKE**

**CASTOR OIL FSG**

Castor oil is indispensable in the production of organic derivatives and is widely used in paints, industrial agents, and dispersing agents. Shree Ambika Global excels in producing industrial-grade castor oil, characterized by its high concentration of ricinoleic acid (approximately 87%). Our proprietary extraction technique—featuring advanced methods and precise control of temperature and steam—ensures the highest quality oil. The resulting castor oil cakes are valuable byproducts of our process, forming an essential part of our product line. Our unique processing approach guarantees a consistent, high-quality output with minimal residue.

# NEEM PRODUCTS

---

**NEEM OIL**

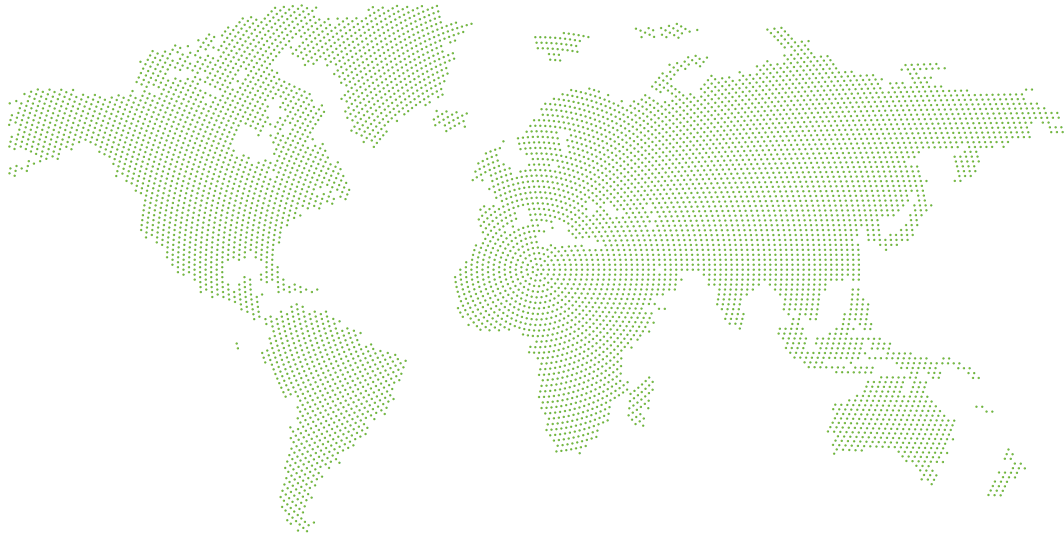

**NEEM CAKE**

We manufacture both neem oil and neem cake in-house, ensuring that every product meets our strict quality standards. Our neem products are carefully processed under rigorous supervision, guaranteeing exceptional quality and performance. We take pride in producing high-grade neem oil and neem cake at our dedicated facility, ensuring that our customers receive only the finest neem products.

# WE EXPORT TO THE FOLLOWING COUNTRIES

---

Behind every successful business lies a strong foundation of core values. The extensive business network of Shree Ambika Global spans across the globe.

Our export operations have established a strong presence in regions including the Far East, Europe, the Middle East, Brazil, and Russia.

Our unwavering efforts to deliver premium castor and groundnut products in bulk have earned us a dominant position in the global market.

For every client who values quality, Shree Ambika Global is the trusted name.
