SHREE AMBIKA GLOBAL

INNOVATING FOR A CONNECTED WORLD

BASMATI RICE

Shree Ambika Global supplies premium Basmati rice sourced from India's most fertile and traditionally renowned rice-growing regions. Our basmati rice is distinguished by its extra-long grain length, natural aroma, exceptional elongation after cooking, and refined taste. Each batch is carefully procured from trusted farmers and milling partners, ensuring strict adherence to international quality, hygiene, and food safety standards demanded by global buyers.

As a global B2B exporter, Shree Ambika Global plays a vital role in connecting Indian basmati rice to international markets across the Middle East, Europe, Africa, and the Americas. Through strong procurement networks, quality inspections, and efficient export logistics, we ensure consistent bulk supply, customized grading, and timely delivery. Our role goes beyond trading - we act as a dependable supply partner for importers, distributors, and food brands worldwide.

NON-BASMATI RICE

Non-basmati rice supplied by Shree Ambika Global caters to high-volume global consumption markets where consistency, affordability, and nutritional value are critical. We source multiple non-basmati varieties known for uniform grain size, good cooking performance, and suitability for industrial food processing as well as staple consumption.

With an extensive supplier base and export expertise, Shree Ambika Global ensures uninterrupted supply of non-basmati rice to Africa, Southeast Asia, and other emerging markets. Our global supply chain management, bulk packaging solutions, and export-compliant documentation make us a preferred partner for buyers seeking reliable long-term sourcing. Our role goes beyond trading - we act as a dependable supply partner for importers, distributors, and food brands worldwide.

SHREE AMBIKA GLOBAL

INNOVATING FOR A CONNECTED WORLD

WHEAT

Shree Ambika Global exports high-quality wheat procured from India's agriculturally rich regions, known for strong protein content and excellent milling characteristics. The wheat is thoroughly cleaned, graded, and processed to meet international standards for food safety and quality, making it suitable for flour mills, bakeries, and food manufacturers.

Our global procurement and logistics capabilities allow us to supply wheat in bulk quantities to international markets efficiently. By maintaining strong relationships with farmers and processors, Shree Ambika Global ensures stable supply, competitive pricing, and consistent quality, reinforcing our position as a trusted global wheat exporter.

CUMIN SEEDS

Cumin seeds supplied by Shree Ambika Global are highly valued for their rich aroma, strong flavor, and high essential oil content. Carefully sourced from prime cultivation regions, our cumin undergoes advanced cleaning and sorting processes to meet stringent export specifications.

As a global supplier, Shree Ambika Global ensures cumin seeds reach spice processors, wholesalers, and food manufacturers across Europe, the Middle East, and Latin America. Our expertise in handling bulk spice exports, maintaining purity, and meeting international compliance standards makes us a reliable partner in the global spice trade.

SHREE AMBIKA GLOBAL

INNOVATING FOR A CONNECTED WORLD

CORIANDER SEEDS

Shree Ambika Global offers premium coriander seeds known for their freshness, natural green color, and distinctive flavor profile. Each lot is carefully procured and processed to preserve aroma and quality, ensuring suitability for whole-seed consumption and industrial grinding.

Our global supply network enables seamless export of coriander seeds to international markets where quality consistency is critical. By managing sourcing, quality assurance, and export logistics under one roof, Shree Ambika Global strengthens global food supply chains with dependable spice sourcing.

TURMERIC

Turmeric exported by Shree Ambika Global is prized for its high curcumin content, vibrant color, and medicinal value. Sourced from trusted farming regions, our turmeric is hygienically processed to retain its potency and visual appeal, making it suitable for food, pharmaceutical, and nutraceutical applications.

Shree Ambika Global plays a key role in supplying turmeric to global markets by ensuring quality consistency, bulk availability, and export-ready processing. Our global reach allows buyers to rely on us for steady supply while meeting regulatory and quality requirements across continents.

SHREE AMBIKA GLOBAL

INNOVATING FOR A CONNECTED WORLD

DRY RED CHILLIES

Shree Ambika Global supplies export-grade dry red chillies known for their intense color, pungency, and uniform quality. We procure chillies with high capsaicin levels and low moisture content, ensuring long shelf life and strong performance in international food processing.

Our role as a global exporter ensures chillies are delivered to markets across Asia, the Middle East, and Africa with precision and reliability. By combining quality sourcing with efficient logistics, Shree Ambika Global supports global spice demand with consistency and scale.

ONION

Onions supplied by Shree Ambika Global are selected for long shelf life, strong pungency, and uniform size - essential for international trade. We source onions from prime growing regions and ensure they are processed and packed for long-distance shipping.

Through well-managed procurement and export logistics, Shree Ambika Global supplies onions to global markets while minimizing spoilage and ensuring freshness. Our role in global distribution supports food security and stable supply chains for international buyers.

SHREE AMBIKA GLOBAL

INNOVATING FOR A CONNECTED WORLD

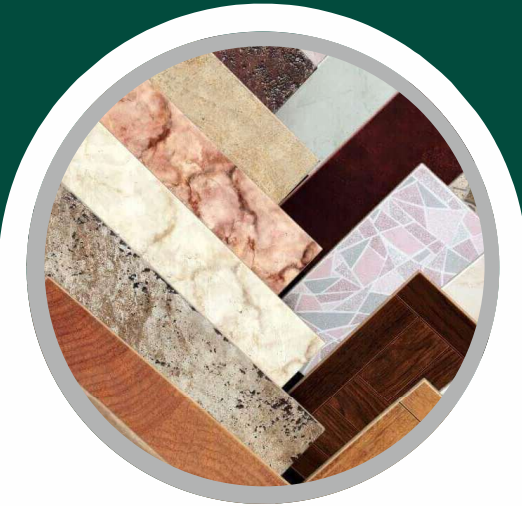

GARLIC

Garlic exported by Shree Ambika Global is known for bold cloves, strong flavor, and high allicin content. Each batch is carefully graded and packed to meet export standards, making it suitable for culinary and industrial use.

With efficient sourcing and export operations, Shree Ambika Global ensures garlic reaches global buyers in optimal condition. Our reliability and volume capacity position us as a trusted supplier in the international agro-food market.

TILES & CERAMICS

Shree Ambika Global supplies high-quality tiles and ceramic products sourced from reputed manufacturers known for durability and aesthetic excellence. Our range includes floor tiles, wall tiles, vitrified tiles, and ceramic products suitable for residential, commercial, and industrial projects.

As an export partner, Shree Ambika Global connects manufacturers with global construction markets by ensuring export-safe packaging, consistent quality, and timely delivery. Our role strengthens international supply chains by offering dependable sourcing solutions to importers and project developers worldwide.

CUSTOMIZED & HANDCRAFTED WOODEN ITEMS

Shree Ambika Global is a premier exporter of handcrafted wooden handicraft items, representing the perfect union of heritage craftsmanship and global design sensibilities. In a world increasingly shaped by mass production, wooden handicrafts hold enduring importance for their authenticity, sustainability, and cultural value. Each piece reflects the natural beauty of wood and the skill of master artisans, making these products highly valued across homes, luxury interiors, hospitality spaces, and curated collections worldwide.

What truly distinguishes Shree Ambika Global is our exclusive ability to procure highly specific and rare wooden handicraft items for select clients across the globe. Through deep-rooted artisan networks and region-specific sourcing expertise, we provide access to craftsmanship that is not available through conventional channels. This unique procurement capability allows us to serve niche international buyers with precision, discretion, and uncompromising quality-making Shree Ambika Global a trusted name in global wooden handicraft exports.
