ABOUT US

Subh Darshan Enterprise is a prestigious manufacturing company from Rajkot (Gujarat) that brings forth a superior range of agro-based products. We are a dependable manufacturer and supplier (trader & wholesaler) of fresh vegetables (garlic, red chilli, & onion), whole spices (coriander & cumin), groundnut kernels, and shelled groundnut. We grow these vegetables and other products at our organic farms and supply the same in Indian market. We ensure that each product, we deal in, is grown/processed in compliance with the food safety standards and match the highest quality standards. Our distribution network is spread across the major markets of the India. We are offering these products at reasonable prices.

Incepted in the year 2014, Subh Darshan Enterprise is headquartered in Rajkot (Gujarat, India), and working with an aim to serve the finest agro products. Under the superior guidance of Mr. Daxik Sorathiya, we have gained a long list of satisfied clients in India, and also have achieved heights of success in such a short span of time.

QUALITY CONTROL

All kinds of agro-products, we deal, are stringently tested in a tier like structure to make sure that no stone is left unturned in the quality control process. Apart from having a fully-mechanized testing facility, we get relentless support of veteran quality controllers, the joint efforts of which results in total quality management at our facility.

WHY US

With a vast experience in the domain of agro trading, we have been catering to small and massive product demands of the buyers with utmost ease. Being a client-centric firm, we facilitate clients to pay through different modes – offline and online. Besides, we ensure that our offerings are delivered to the client's place within the promised timeline.
