ABOUT US

Tashi Fashion is a sky-high name, specialized in the trade of fashion wear. The company holds accreditation to operate as a supplier of products like ladies designer classy saree, ladies designer modern saree, ladies antique cotton saree, ladies cotton designer saree, ladies cotton printed saree, ladies fancy cotton saree, ladies modern cotton saree, ladies stylish cotton saree, classy handloom sarees, designer handloom sarees, fancy handloom sarees, etc. Designed and prepared at our client's facility, our offerings have no match in the market.

The company objective of Tashi Fashion is to offer what is promised to the clients i.e., chic collection of products and fair-priced deals. So, appoint us as your trade partner and avail the benefits of year-around product availability.

Established in 2018, Tashi Fashion has become a prominent name in the Indian trade industry owing to its ethical trade practices and prompt solutions. The company is based in Surat (Gujarat, India) and we cater to retail and bulk product demands of the clients with a professional approach.

Professionals

At Tashi Fashion, we are a group of individuals, who keep an eye on the leading fashion trends and industry demands. Based on this, we strategize our company operations. Within a small span of time, we have established a network of product sourcing agents and distributors to maintain a brilliant supply chain network all around the year.

Choose Tashi Fashion because:

- We provide regular product updates to the clients
- We can be relied for doorstep shipments within the said timeline
- We are acknowledged for processing tailored packaging and labeling needs of the buyers
