Khandoliya Industries is a distinguished entity, known for its prompt solutions and reliable services. The company holds accreditation to manufacture, export, and supply products like acupressure products, massager, magnetic therapy products, cupping therapy products, sujok therapy products, acupuncture needle stimulator, electro acupuncture stimulator, and multipurpose health device. Precisely designed and manufactured at our own facility, our offerings have no match in the market. In addition, we proffer products in different technical specifications to meet the functional demands of the clients. Our work diligence, coupled with ethical trade practices, has helped us in mustering a large clientele in the regional and global marketplace.

Incepted in 2017, Khandoliya Industries has emerged as a prominent name owing to its dependable services. The company is headquartered in Jodhpur (Rajasthan, India) and we operate with a network of dealers and distributors in the area of operations.

Our Reliable Resources

At Khandoliya Industries, we have our own facility, sprawling over a large area. We have parted it into different units for the ease of production, storage, packaging, labeling and other related procedures. Our facility is well managed by a group of deft individuals, having skills and resources to run smooth trade operations. Within a small span of time, we have built a strong network of dealers and distributors. Their support empowers us to serve the emerging demands of the clients in a caresul manner.

Choose Khandoliya Industries because:

- We accept tailored demands for products and their packaging & labeling
- We facilitate clients to pay through online and offline modes
- We have a global market reach
