

Rajkiran Enterprise

Rajkiran Enterprise is one of the acclaimed business entities in Raipur (Chhattisgarh) that have been producing the finest agro-based products. The company serves as a successful manufacturer and supplier of premium Indian rice, fresh vegetables, live fishes, and live Kadaknath chicken. All our agro-based products have been admired for their fine quality, high nutritional value, hygienic packaging, and reasonable pricing. Our livestock like fishes and chickens are raised under controlled and hygienic conditions so that the consumers can relish the goodness of meat products after processing. We grow vegetables and rice using the organic as well as modern methods of farming, and thus it can be consumed without worrying for chemicals and pesticides.

About Us

Rajkiran Enterprise is one of the acclaimed business entities in Raipur (Chhattisgarh) that have been producing the finest agro-based products. The company serves as a successful manufacturer and supplier of premium Indian rice, fresh vegetables, live fishes, and live Kadaknath chicken. All our agro-based products have been admired for their fine quality, high nutritional value, hygienic packaging, and reasonable pricing. Our livestock like fishes and chickens are raised under controlled and hygienic conditions so that the consumers can relish the goodness of meat products after processing. We grow vegetables and rice using the organic as well as modern methods of farming, and thus it can be consumed without worrying for chemicals and pesticides.

Rajkiran Enterprise is a professionally managed company that was established in the year 2015. The foundation stone of the organization was laid by the company's enterprising co-founders viz., Mr. Nikhil Trivedi and Ms. Nutan, who possess years of experience in the agriculture industry of India.

Quality Assurance

We endeavor to provide high-quality agro products and livestock like fish and chicken to the customers. For that, we have set up an advanced production and sorting facility, where these products are grown and raised in controlled conditions. We supply each and every lot after intense quality testing at our facility.

Our Strengths

The company has been growing on the following grounds:

- Exclusive range of products
- Industry leading prices
- Vast networking facilities
- Timely order delivery
- Maximum customer satisfaction
- Adroit team of experts
