A photograph of a white cardboard box of GETRO PIN, which is open to reveal a row of blue-capped vials inside. The box is labeled 'GETRO PIN' in large blue letters, with '1000 mg/ml in 10 ml' printed below it. In front of the box, three individual vials are shown: one is lying on its side, and two are standing upright. All vials have blue caps and labels that match the box. The entire setup is placed on a dark blue, textured surface.
