

# SHREE KRISHNA RICE MILLS

Owing to immense industry experience, Shree Krishna Rice Mills is involved in offering a wide range of products that includes basmati rice, non-basmati rice, organic rice on EU norms.

**SHREE KRISHNA RICE MILLS**, also known as SKRM is a world renowned Manufacturer & Exporter of Basmati & Non Basmati Rice in India. Established in the year 1998 and located at Taraori, District - Karnal, Haryana (India), we are engaged in milling, processing & supply of finest qualities of Basmati Rice in the form of Raw, Steam, Sella/ Parboiled & Golden Sella Rice worldwide. Shree Krishna Rice Mills is a USFDA approved company having ISO 9001:2015, ISO 22000:2018, GMP, HALAL, KOSHER & FSSAI certifications as well in production and supply.

We have a well-equipped hygienic rice mill with a final production capacity of 200 MT per day/ 5000 MT per month from 03 automatic production units. The units are equipped with advanced processing, quality control, packaging and warehousing units which work in close coordination to cater the rising needs of our clients across the globe.

We also have excellent 25,000 MT storage facilities, which allow us to stock rice in high quantities & under hygienic conditions which further helps us in the timely delivery of consignments. Aiming at client satisfaction and guaranteeing the finest quality in every grain, we undertake stringent quality checks and ensure they meet the international standards.

We are exporting finest Indian rice to Europe, USA, Australia, Iraq, Saudi Arabia, Oman, Yemen, Jordan, Lebanon, Egypt, Bahrain, Syria, Russia, UAE & many more countries.

Our rice is internationally appreciated for their superfine kernels, high quality, freshness and longer shelf life. Above all, its exquisite aroma and rich flavor enhances the taste of the cuisines.

## **INFRASTRUCTURE**

With customer delight as our primary aim, we ensure your plate is served with the most aromatic and quality rice. We have the best in class infrastructural setup comprising of state of the art machineries and advanced processing, quality control, packaging & warehousing units to offer you the finest rice in the world.

Spanning in a total area of 1000 sq. mtr. our facility is equipped with all kinds of machines starting from rice stone separator, laboratory rice husker, length grader, rice grader machine to multi grader. Our infrastructure produces the most edible rice i.e. rice that is sufficiently milled and free of husks, stones, and other non-grain materials. Our packing machines allows us to offer customized packaging in any size and packing material as per client's requirement.
