One of the celebrated names in the industry, Bartex Overseas is a company that is involved in offering the wide range of agro vegetables, sweet corn and many other similar products. We are a noteworthy exporter and supplier of onions like red onions, white onions, etc., rice 1509 white sella basmati rice, IR 64 rice, pusa basmati rice, sona masoori rice, etc.; sweet corn and corn flour. The aforementioned range of agro products are sourced from the large organic farm owners. We ensure that the vendors use organic production methods, and there is no usage of chemicals in the procedure. Customers can purchase these agro products from us at the best market leading prices. Our distribution network is spread across the major agro markets in India and other countries worldwide.

Deeply rooted in Rajkot (Gujarat, India), Bartex Overseas is one of the renowned fraternities that are engaged in exporting and supplying the best quality agro vegetables, sweet corns, corn flour and much more. Mr. Pavan Dhaduk & Mr. Raj Ramani (Owners) are the brilliant minds behind the inception of our organization. They laid the foundation stone in the year 2018.

Our Warehousing Unit

We have a vast and capacious warehousing unit, which allows us to store the perishable products in a safe manner. We have installed a temperature controlling system at our warehouse to ensure that the products are kept in a good environment for preserving their freshness and quality.

Quality Assurance

We focus on maintaining the high quality of our products. Our quality auditors stringently check each product on diverse quality parameters before dispatch.
