ABOUT US

Jay Manufacturing is a leading unit in Gujarat that runs on the aim to manufacture high-quality FRP manhole covers. We provide the extensive range of manhole covers manufactured of different materials including Heavy Duty FRP Manhole Covers, FRP Manhole Cover, Drain Covers, Plastic Manhole Cover, and PVC Manhole Cover.

We assure only the trustworthy quality owing to our extensive manufacturing unit products are manufactured in compliance with the pre-defined industry norms and tested to ensure their flawlessness. Additionally, we are also involved in offering best-in-class FRP Lining Service to our esteemed clients.

Our Establishment

We are a well-known and reliable company incorporated in the year 2017 at Rajkot (Gujarat, India). We are a Sole Proprietorship firm functional under the valuable supervision of "Mr Jay Bhalodiya", our owner.

Quality Production

We import high-quality raw material only from the leading metal and PVC vendors, based across the globe. We ensure speedy production of the whole variety of FRP manhole with the help of our imported plant and hi-tech machinery. Moreover, our in-house production also has an inquisitive testing mechanism to test raw materials and end-products. Our qualitative range of products is available at a market-leading price.

Why Choose Us?

Due to the following characteristic, we have become a preferred choice of our customer :

- Modern production machines
- A skilled team of professionals
- High-quality manhole at reasonable prices
- Safe and secure packaging solutions
- Timely delivery across the nation
