Shrivas By Archita is a noteworthy name, involved in offering a variety of products under one roof. We hold accreditation to operate as a manufacturer and supplier of a variety of embroidered footwear and the range is inclusive of kids embroidered footwear, ladies embroidered footwear, and mens embroidered footwear.

ABOUT US

SHRIVAS BY ARCHITA is a noteworthy name, involved in offering a variety of products under one roof. We hold accreditation to operate as a manufacturer and supplier of a variety of embroidered footwear and the range is inclusive of kids embroidered footwear, ladies embroidered footwear, and mens embroidered footwear. Besides, we deal in embroidered bags, embroidered dupatta, and suede footwear. The entire gamut is prepared at our own facility and complies with the latest fashion trends.

At Shrivas By Archita, we aim to bring forth an exquisite range of products that are cost effective and available in different specifications.

The foundation stone of Shrivas By Archita was laid in 2015 with a vision to become a preferred trade partner of the clients. Our company operations are administered by a group of industry experts. The company is based in Udaipur (Rajasthan, India) and we are acknowledged for making safe and scheduled shipments.

RELIABLE RESOURCES

At Shrivas By Archita, we have an in-house team of professionals comprising production heads, quality inspectors, marketing professionals, and logisticians. Working together, we maintain year-around inventory to process the varied demands of the clients. In order to keep our workforce abreast with modern work methods, we host regular training sessions.

PACKAGING AND DISTRIBUTION

At Shrivas By Archita, we lay special emphasis on packaging to ensure that our offerings reach the destination in the best state. Besides, we undertake tailored demands for packaging and private labeling. Over the years, we have established a strong network of distributors in the Indian subcontinent. With their strong support, we are capable to accept and process even urgent & massive product demands.
