About Us

Jai Bajrang Bali Udyog is a pioneering name in the industry for manufacturing and trading a plethora of finest quality cement roofing, wires, poles, and various other construction materials. We are a notable manufacturer and supplier of barbed wire, concertina wire, concrete poles, fencing poles, interlocking tiles, and cement roofing sheets. These products are manufactured by sourcing the best quality raw materials from reliable vendors. We ensure that our vendors are chosen only after carefully scrutinising their production processes. Besides this, ultra-modern tools and machines are used at our infrastructure for processing these wires, poles, etc. We check the entire product line on various parameters before dispatching them to customers.

Headquartered in Bulandshahr (Uttar Pradesh, India), Jai Bajrang Bali Udyog is one of the distinguished firms that are involved in manufacturing and supplying the premium quality construction products like barbed wire, fencing poles, cement roofing sheets, and others. Mr. Atin Kumar Garg (Owner) is the respected personality behind the establishment of our organization. He laid the foundation stone in the year 2008.

Our Infrastructural Unit

We have a huge and well-furnished infrastructural unit, which helps us in finishing our consignments of wires, poles, and other products within a designated timeframe. Apart from this, our infrastructure is segregated into separate parts like procurement, manufacturing, quality checking, research & development, and others for smooth and systematic functioning of our company.

Why Us?

Following are the major factors behind our prompt success in industry:

- On-time delivery of products
- Convenient modes of payment
- Excellent focus on quality assurance
- Innovative designs
