

Real Export House is a well-known name in the manufacturing industry, offering different kinds of agro-based products. Headquartered in Morbi (Gujarat), the company is recognized as a successful manufacturer, exporter, and supplier of premium quality fresh vegetables, agro seeds (manufacturing this product only), fresh fruits, shelled peanuts, and wheat flour.

ABOUT US

REAL EXPORT HOUSE

REAL EXPORT HOUSE is a well-known name in the manufacturing industry, offering different kinds of agro-based products. Headquartered in Morbi (Gujarat), the company is recognized as a successful manufacturer, exporter, and supplier of premium quality fresh vegetables, agro seeds (manufacturing this product only), fresh fruits, shelled peanuts, and wheat flour. Our products are ideal for those who have a penchant for serving and consuming high-quality agro products. We have a passion for bringing forth only hundred percent quality certified products so that the consumers can relish their true flavors and taste. Moreover, our agro products contain rich nutrients and minerals, and we offer them at reasonable prices.

Real Export House was incorporated in the year 2017 when the enterprising company founder i.e. Mr. Tushal Patel laid the foundation stone of the organization. Right from its establishment, the company worked with a focused approach of achieving complete satisfaction of the customers.

Warehouse

We have access to a vast and organized warehousing unit in the close vicinity of our headquarters. The facility helps us in storing and retrieving these agro-based products in a safe and fast manner. Additionally, we have a basic testing facility in our warehouse for the purpose of quality management.

Quality Control

Our outstanding resourcing abilities help us to acquire superior quality products that go beyond the creation of our competitors. We strictly adhere to the quality norms and standards while manufacturing/procuring our products. Our quality regulators keep a close eye on the product procurement proceedings.
