ABOUT US

KUMAR POULTRY is a name that is enlisted amidst the eminent firms that are engaged in the business of providing poultry products to different industries. We are a remarkable supplier of Live Quail Bird. With an aim to provide only premium quality products to our clientele, we give utmost importance to the selection of our vendors and quality testing of the entire product line. Therefore, we send our procurement agents to our vendors' poultries who check the breeding procedures of the quails and meat processing procedures. When satisfied, we procure the quail meat for freezing it at our storage houses and dispatching to the customers after receiving a confirmed order. Customers can buy the frozen quail meat in bulk quantities from us at a reasonable price range. Our distribution network is spread in some of the major quail meat markets located in India.

Deeply rooted in Panipat (Haryana, India), Kumar Poultry is one of the distinguished organizations that are involved in supplying the high quality frozen quail meat. The diligent personality behind the establishment of our organization is Mr. Pardeep Kumar (Owner). He laid the foundation stone in the year 2019.

OUR WAREHOUSING UNIT

We are backed by a state-of-the-art warehousing unit, which helps us in keeping the quail meat in a freezing temperature to preserve its freshness for a longer duration. Our warehouse is equipped with a temperature controlling system that allows us to set a well-suited temperature for the products.

OUR DISTRIBUTION NETWORK

Owing to our team of meticulous logistics professionals, we are able to expand our distribution network to diverse locations across the country. They ensure that the products are dispatched in freezer vans or trucks only.
