Mobile Charging Stand

➡ **Kitkeet Products**

➡ **Leezen Products**

We are recognized as a credible manufacturer, exporter and supplier of different types of Kit-keet products (aluminium products & stainless steel products) and Leezen products (bathroom shelves, liquid soap dispensers, napkin rings, robe hooks, soap dishes, tumbler holders, toilet paper holders, toothbrush holder, towel racks, towel rods, mobile charging stand, and set top box stand).

Kamnath Industries is a famous name from Rajkot (Gujarat) that has been producing the finest range of metal products and utility products. We are recognized as a credible manufacturer, exporter and supplier of different types of Kitkeet products (aluminium products & stainless steel products) and Leezen products (bathroom shelves, liquid soap dispensers, napkin rings, robe hooks, soap dishes, tumbler holders, toilet paper holders, toothbrush holder, towel racks, towel rods, mobile charging stand, and set top box stand). The tiles that we provide are made with the finest materials that guarantee strength, elegance , and long-life. You can easily bring aesthetic appeal into your spaces with our stunning and breathtaking utility products. These products are widely used for different purposes across industries. We are offering products in different designs, textures, and sizes to cater to the diverse requirements of the buyers.

The organization has been led by Mr. Chirag Radadiya, who serves as the Founder of Kamnath Industries. Mr. Radadiya possesses vast experience in the domain of metal products and utility products' manufacturing and trade. He laid the foundation stone of the company back in the year 2018. Achievement of customers' satisfaction by serving superior quality products is the primary motto for our company.

CUSTOMER SATISFACTION

Since inception in 2018, we have been working with the sole aim of achieving customers' utmost satisfaction. To achieve this feat, we have deployed a team of quality auditors, who proficiently check each and every product of ours on different stages before delivering them to the clients.
