QUALITY FOR SATISFACTION

Driven by excellence in dispensing quality Medical Equipment, JK Impex has become a reliable medical partner across the globe. We are particularly acknowledged and accoladed for manufacturing the Digital Thermometers of the best standard.

## **DIGITAL THERMOMETER FACTORY**

Our production line is fully equipped with brand new machines and equipment to supply the best quality of Digital Thermometers.

### **We have specialized skilled technicians and workforce in each step of the production process:**

- Circuits assembling on a PCB.
- Get from our trusted third party mold injection manufacturer the plastic body with the required quality standards.
- Assembling the parts of the thermometer.
- Quality testing by our new brand machines to ensure the customers a reliable product.
- If our customers need a special Quality Control Testing Certificate from a third party lab, we can help you to get it.
- Packaged by our professional team that takes good care of managing our valued digital thermometers in the packaging process, primary and secondary package.

### **OTHER TRADING SERVICES:**

#### **We Import And Export Other Surgical Products Too**

We supply a wide range of other surgical equipment products as: Surgical Gloves, BP Monitor, BP cuff, Digital Glucometer, Stethoscope, Hot Water Bags,

We have 15 years of experience in the Surgical Equipment Industry. We have been purchasing , importing and exporting many kinds of medical equipment. This experience has helped us to get the expertise in documentation, laws, quality control and technical requirements by different countries.

### **WHO WE ARE?**

We are one of the leading importers and exporters in India of surgical equipment. We are proud to have created the new company in 2017 to open our new brand factory of Digital Thermometers. We are located in Mumbai.
