

**SONAIYA AND CO**

# ***SONAIYA AND CO***

Sonaiya and Co. feels delighted to present itself as one of the foremost manufacturing companies from Jamnagar (Gujarat) that excels in the production of different kinds of agro-based products. The company is known as a successful manufacturer and supplier of premium quality cumin seeds, fenugreek seeds, mustard seeds, sesame seeds, and organic carom seeds. Our agro-based products have been widely demanded for food dressing, enhancing food flavors, and being used as one of the key ingredients in food preparation. We cultivate the crop using the organic method of farming, and thus our products are free from harmful chemicals and pesticides. Sonaiya and Co. was established in the year 2016 to cater to buyers' demand for the finest grade seeds of cumin, fenugreek, mustard, sesame, carom, and so on.
