COMPEER ANION SANITARY NAPKINS

COMPEER BABY DIAPERS

COMPEER ANION REGULAR SANITARY PADS

ABOUT US

N J ENTERPRISES is counted amongst the leading manufacturers, exporters and suppliers of superior quality Compeer anion sanitary napkins, Compeer baby diapers and Compeer anion regular sanitary pads. We supply our products in the brand name of Compeer. The Compeer anion sanitary napkins that we make available are made using the best quality materials that ensures their premium quality. Consequently, they are highly popular amongst our patrons based both in India and abroad. These Compeer anions sanitary napkins are widely known for high absorbent capacity, soft feel and lightweight. We also make available Compeer baby diapers, which are skin-friendly and do not cause any rashes on the delicate skin of babies. These Compeer baby diapers give freedom to babies, thereby keeping them dry for long hours. Moreover, our expertise in offering top quality Compeer anion regular sanitary pads has made us more popular in the market. Our Compeer anion regular sanitary pads provide complete protection from moisture and keep the skin safe from rashes. These Compeer sanitary pads are extremely soft and comfortable. The high absorbance power and special surface sheet keep the surface dry and odorless. Manufactured with the most modern automatic machines in extremely clean and hygienic conditions, our experts ensure that the best product is sent out in the market. We are offering our products in a plethora of sizes to the clients. The interested customers can place their orders now and rest assured for timely delivery and reasonable prices with us.

"Compeer" is a registered trademark of **"N J ENTERPRISES"** which is based in Punjab (INDIA). Compeer mainly deals in Sanitary Pads & Baby Diapers. Compeer provides best quality at competitive rates in the market. Our products have advantage of Anion-Chips which gives guaranteed absorption upto 150 mL. Our products are available in different sizes.

OUR INFRASTRUCTURAL UNIT

Located in Malerkotla, we have maintained a well-structured infrastructural unit, which is spread across a large area. We have installed our infrastructural unit with the most advanced & latest machines in order to manufacture the best-in-class products in a short span of time.
