About Us

Rikhava Diamonds is an accredited manufacturer and supplier of diamond jewelry. We are majorly into designing and trading of men and women diamond rings. Besides, we offer an immaculate array of diamond pendant, diamond bracelet, and diamond necklace. The entire product line is prepared using the modern diamond cutting, finishing and other techniques. Our commitment to precision and quality has helped us in building a large client base including reputed diamond traders in India.

Rikhava Diamonds is a renowned name in the area of operations. Mr. Rahulkumar Togani is the founder of the company. Working under his guidance, we have cemented our name amid the key market players. The company is based in Mumbai (Maharashtra, India) and we have been serving retail & massive product demands of the clients since 2013.

Our Infrastructure

Rikhava Diamonds has a well-established infrastructure sprawling over a large area. We have divided it into different segments such as manufacturing, quality, warehouse and packaging among others.

Our Workforce

Rikhava Diamonds has a support of individuals, who are dedicated towards their work and keep themselves abreast with the technicalities of the domain to achieve our company objectives of offering top-notch product array. Working together, we maintain streamlined trade operations across the year.

Why Prefer Us?

Below mentioned are some of the reasons for our immense preference by the clients:

- We ensure that clients' requirements are fulfilled on time and hold up to our commitment towards quality
- Our workforce work diligently to satisfy the needs of our customers
- Our aim is to expand our network by providing excellent products and services to other parts of the country
- We also provide Pan India services to meet the requirements of the clients on timely basis
