About Us

AYESHA NURSERY, established in the year 2010 in Hojai (Assam), is a manufacturer of a wide spectrum of plants, agro seeds, and agro products. We deal in outdoor plants, fruit plants, dry fruit plants, flower plants, lucky bamboo plants, tea plants, Oudh attar, cardamom plants, turmeric finger, teak root stump, sandalwood seeds, bamboo seeds, agarwood seeds, red sandalwood seeds, and much more. We offer these plants and agro seeds at affordable rates and deliver them within the stipulated time period.

Under the expert guidance of our mentor, Mr. Mohammad Abbas Ali, we have emerged as a notable business entity in the domestic as well as international market. He has acquired a rich industrial experience enabling us to understand and fulfill the diverse requirements of our clients.

We have employed a dexterous team of employees who keeps them abreast with advanced techniques to produce these plants and seeds. Our team works hard to boost the organization's production capacity and attain the predefined business targets within the specified time limit.

Additionally, we also have a quality testing unit, wherein, we check our entire range of products on defined parameters. All units are equipped with all the essential tools, machines, and technology in order to produce a premium-quality range of products.

Since our inception, we make our every effort to establish a top-notch stature in the industry and provide superior varieties of plants and agro-products to our customers. We are widely acclaimed for our client-centric approach, moral business ethics, economical prices, and propriety.
