**ROYAL STONE** is an accredited manufacturer and supplier of products like Rough Kota Stone Slabs, Diamond Cut Kota Stone, Machine Cut Kota Stone, and Kota Stone Tiles. The entire selection is finely prepared at our own facility and as per the market trends. Ours is a group of individuals, working together to bring forth only the best to the clients. Our client-centric approach has helped us in mustering a large client base in the area of operations.

Royal Stone is a recognized name that started trade operations in 1998 with a sole motive to emerge as a preferred stone trading partner of the clients in the regional marketplace. The company is based in Kota (Rajasthan, India) and we operate with a brilliant supply chain network in the Indian subcontinent.

### **PROMISE OF QUALITY**

At Royal Stone, our prime concern is maintaining high-quality standards in our offerings – products and services. We thus put special efforts to continuously evolve our work methods and techniques to deliver nothing short of the best-grade product line to the clients. Besides, we have appointed individuals having skills and resources imperative to maintain high-quality standards. Our multilevel quality checking procedures aid us in fulfilling the stated codes of quality in a seamless manner.

### **THE NETWORK**

Over the years, Royal Stone has established a strong network of dealers and distributors in the area of operations across India. Their strong support empowers us to maintain year-around product inventory. This way, we are capable to process retail and massive product demands of the clients in a seamless manner. Clients can approach us for private labeling and tailored packaging requirements.
